Mission Statement

To provide within Sussex & Lisbon, an affordable transportation option that will enable our senior adults to maintain a healthy, active and independent lifestyle.

Purpose

The Shuttle is more than just a bus. It is a service which older adults utilize to protect and re-new independence. It's purpose is to provide a needed transportation alternative to ambulatory and independent community elders, enabling them to continue to live in their own home and in their own community.

This established purpose makes certain values inherent to the service. In respect to these values, we have embraced the following guiding principles.

- Empowerment to make choices.
- Life Enriching
- Connecting Communities
