## sussex village park

Fifty years ago, Village leaders purchased 75 acres of land to establish Sussex's first park. Today, Village Park is located in the middle of our growing community and has an 18 hole disc golf course, a picnic pavilion, two tennis courts, sand volleyball courts, playground equipment, a 1¼ mile walking trail, a sledding hill and serves as the home for area youth and adult softball.

The funds raised during this event will be used for improvements in Village Park so we can keep it going strong for the next 50 years!
